FAQ's

Where are you located?

Moonlight Creamery is located at 36 West Avenue, Fairport, NY, bordering Kennelley Park near the Erie Canal.

How far in advance do I have to book a party?

We suggest booking at least two weeks in advance to ensure your desired date, however there is no minimum requirement. Note depending on your party size, chocolate tastings may require three weeks advance notice in order to allow sufficient time for our hand made artisan truffles to arrive.

Can I close down the store to throw a party?

Absolutely! Pricing will vary depending on the desired date, time and duration of the party.

Do you serve alcoholic beverages?

Absolutely! Per the terms of our liquor license, we are able to serve a full selection of wine and beer.

Do you serve any food other than desserts?

We can cater upscale hors d'oeuvres to complement our selection of decadent pastries and ice creams. We also have a full line of fair trade, organic coffees and teas and other beverages.

Is the birthday child included in the total number of guests?

Yes, the birthday child (and other siblings) count towards the total number of guests in the party.

Do parents count in the total?

Parents do not count towards the total number of party guests and receive complimentary ice cream sundaes as part of the party package price. Other adults (parents of children attending the party, family members, etc.) are not included and must purchase whatever they would like to eat (coffee, ice cream, etc.). Of course, if there is pizza left over after the party guests have finished, any adult guests are welcome to enjoy the pizza.

What options are there to cover the cost of adults that choose to stay for the party?

There are two options for adults that choose to stay for the party, at the discretion of the person booking the party:

1. The adults can pay for themselves for whatever they choose to eat.
2. We can "run a tab" and the cost can be rolled in to the overall party cost.

We default to option 1 unless the person booking the party tells us they would like us to run a tab.

Can I order more pizza?

We provide enough pizza for all party guests. If you would like to supply pizza to other attendees (parents of party guests, other relatives, etc.), we are happy to order extra pizza at cost.

I have less than 12 guests. Can I pay less?

Our party pricing includes the cost of a party host and use of the facilities for your party. For this reason, we are unable to discount party pricing for smaller parties.

Where do you hold the birthday parties? Do you have a separate party room?

We hold the parties in our store and reserve space for party guests. We do not have a separate party room. If the weather is nice, we occasionally do part of the party (games, opening presents, etc.) outside in the park, providing the person booking the party agrees to move part of the party outside.

Do we open presents at the party?

That is entirely up to you. We can accommodate opening presents at the party if that is desired, but we need to know at the beginning of the party so we can adjust the schedule accordingly.

Will my child get to blow out candles?

We place a candle in the child's ice cream sundae for them to blow out after we sing "Happy Birthday".

Should we bring a cake?

You are welcome to provide a commercially prepared cake if you would like. In our experience, the children do not usually eat the cake but we are happy to serve it if you would like us to. We cannot serve a cake that is “homemade.”

How can I get invitations?

We provide postcard invitations that you may pick up at your convenience at Moonlight Creamery during normal business hours.
